

Kids Dig Archaeology

Mount Vernon Library

Fall Steam Workshop

When

Tuesday, October 13, 2015

4:30 to 5:30 pm

Where

Mount Vernon Library

Children's Area

315 Snoqualmie St.

Mt. Vernon WA 98273

Free.

Primary audience

Children ages 6-10

The Mount Vernon Library regularly hosts STEAM workshops, or hands on events for school-aged children with an emphasis on Science, Technology, Engineering, Art, and Mathematics (STEM).

Coinciding with Archaeology Month, this fall's October Steam Workshop will feature a show and tell of archaeology related tools, artifact replicas, and stories provided by local cultural resource managers Equinox Research and Consulting International, Inc. (ERCI).
