Signature Authority

Approved

[Signature]

12.4.2019

Allyson Brooks, Director
State Historic Preservation Officer

Date Signed

Purpose
To ensure the efficient operation of the Department of Archaeology and Historic Preservation (DAHP) by providing guidelines for the appropriate signature authority and delegation of authority required for various transactions and activities at DAHP.

Signature Authority
Unless otherwise indicated, the Director and/or Deputy Director have signature authority on all documents.

- Rulemaking authority is to remain with the Director.
- The Director or the Deputy Director must approve all notifications regarding conflict of interest and outside employment.
- The Director approves all personnel actions. The Director or the Deputy Director shall ensure that employees have been briefed on personnel plans. The employees' briefing should be consistent with allotment and FMR information. Two exceptions to this requirement are:
  - Dismissals must be approved by the Director.
    - Note: dismissals are not the typical Off Payroll actions when an employee terminates or leaves the agency of their own accord. For example, temporary or intermittent hires regularly terminate by a Deputy Director’s authority.
  - The Director approves all out-of-state travel requests for employees within the agency.
- The Director approves all out-of-country travel.
  - Requests for out-of-country travel should be delivered to the Director’s Office a minimum of six weeks prior to the travel in question.
  - After the travel has been approved, it is then forwarded to the Governor’s Office for approval. It is recommended that a full four weeks are allowed for this process.
Signature Authority

- The Director has signature authority on all fiscal documents and approves all Personal Services Contracts, project/grant related contracts, Memorandum of Understanding (MOU), Memorandum of Agreement (MOA), and Interagency Agreements. This includes all formal amendments or letters that alter the scope-of-work, funding commitments, or further refine the terms and conditions of the original contractual agreement.
