Are Now Being Built in the Two-Block Area, Between E. Lynn and N. Mc-Graw Streets, Between 18th and 19th Avenues, Under

THE KELLHER-BRACKETT PROJECT

Providing an Unusually Happy Combination of

- INDIVIDUALITY
- CHARM
- COMFORT
- PERMANENCE
- MODERATE PRICE

...is a delightful home neighborhood, at the edge of the Montlake district, close to fine schools... close to the Lake... a short drive from downtown.

Associated with Messrs. Kellher & Brackett in this project are Albert E. Geiser, Architect; Robert F. Hemmingsen, in charge of construction, and S. B. Kirk of Varsity Decorating Co.

Ten of These Homes Are Started Six are Near Completion Four More to Start This Week

AN NEW BRICK HOME design, built with the highest quality of materials, is now being completed in the Kellher-Brackett project. The homes are being built in the Two-Block area, between E. Lynn and N. McGraw streets, between 18th and 19th avenues, under the Kellher-Brackett project. The homes are being built in the Two-Block area, between E. Lynn and N. McGraw streets, between 18th and 19th avenues, under the Kellher-Brackett project.

You are invited to drive out today and inspect the development. Polvy Montlake carline to East Lynn Street, then turn west to 18th Avenue. Or phone East 8346 and we will call for you.

WIDEVIEW Planned in January 1928. Located in Montlake, under the Kellher-Brackett project.

27 BRICK HOUSES UNDER WAY HERE STRESS NEW NOTE

Residences of English Cottage Type Also Especially Designed to Fit Needs and Purse of Small Owner

TRADITIONAL English cottage type, better known as the "English cottage" type, is being built by Kellher & Brackett in the Two-Block area, between E. Lynn and N. McGraw streets, between 18th and 19th avenues, under the Kellher-Brackett project. The homes are being built in the Two-Block area, between E. Lynn and N. McGraw streets, between 18th and 19th avenues, under the Kellher-Brackett project.

Kellher-Brackett Project Started

COVERING two full blocks, the development in the Montlake district being made by the Kellher-Brackett organization comprises twenty-seven modern brick houses. The homes are being built in the Two-Block area, between E. Lynn and N. McGraw streets, between 18th and 19th avenues, under the Kellher-Brackett project.

Kitchen's Appearance Ten Years Hence Puzzles Manufacturers and Builders

WHAT will be the kitchen of the future? This is the question that is being asked by manufacturers and builders of kitchen equipment. The question is being asked because of the rapid changes in kitchen design and the fact that many of the current designs are based on the needs of the present rather than the needs of the future.

GARAGE DOORS

Garage doors are an essential part of any home. They provide protection for your car and your property. Kellher-Brackett offers a variety of garage doors to suit your needs and budget.

OIL BURNER

R. P. Hemmingsen, President of Kellher-Brackett, is the expert on oil burners. He can help you choose the best oil burner for your home.

WATER

Water is essential for life. Kellher-Brackett offers a variety of water filtration systems to keep your water clean and safe to drink.

SEVERAL

Several other services are offered by Kellher-Brackett, including home inspections and real estate services.
