## Grant Workshop for Heritage Barns and Historic Cemeteries

Richland – Funding for two state grant programs is available for owners of historic barns and for those with stewardship responsibilities over historic cemeteries in South Central and Southeast Washington. The *Heritage Barn Initiative* established the Heritage Barn Register, a statewide list of historically significant barns. Owners of designated Heritage Barns are eligible to apply for matching grants available to assist with barn stabilization and rehabilitation projects. The newly established *Cemetery Preservation Program* is intended to support outstanding examples of historic cemeteries through capital grants aimed at preservation. Both initiatives are programs of the Washington State Department of Archaeology & Historic Preservation.

The Washington Trust for Historic Preservation will be hosting a **free public workshop** on Monday, April 2 from 6:00pm to 8:00pm in the Gallery Room of the Richland Public Library for anyone wishing to learn more about both the *Heritage Barn Preservation Initiative* or the *Cemetery Preservation Program*. The first hour (5:00pm-6:00pm) will be dedicated to information and questions about the *Heritage Barn Preservation Initiative* and the second hour (6:00pm-7:00pm) will be dedicated to questions and information about the *Cemetery Preservation Program*.

Jennifer Mortensen, Preservation Services Coordinator with the Washington Trust for Historic Preservation, will be on hand to answer questions and discuss the process for completing program documents. Approximately \$900,000 is available in matching grants to support rehabilitation of barns and cemetery preservation, or about \$450,000 for each program. The deadline to submit applications requesting barn rehabilitation grant funds will be **May 17, 2018** and the deadline for cemetery grants will be **June 29, 2018**.

Come join us to learn more about these wonderful opportunities and the application process. The Richland Public Library is located at 955 Northgate Dr. in Richland, WA.
