

WISAARD REGISTRATION INSTRUCTIONS

STEP 1: Go to <https://secureaccess.wa.gov/> and follow the prompts to create a new account. (Please note that this must be done first to complete further steps. *Please use only lowercase letters and numbers in your username to avoid problems with logging in. No special characters or symbols*)

If you already have an active SAW account you do not need to create a new one.

STEP 2: Once you have a SAW account the next step is to Fill out the WISAARD Registration Form. You can find the link to the form on the WISAARD home page. Go to <https://wisaard.dahp.wa.gov/> and click on the **Sign Up** square.

The form looks like this:

A screenshot of the WISAARD Registration form, which is a modal window. The form is titled 'WISAARD Registration' and contains the following fields: 'First Name*' (required), 'Middle Name', 'Last Name*' (required), and 'Phone Number*' (required). Each field has a corresponding text input box. To the right of the form, there is a red dashed arrow pointing downwards with the text 'Scroll to fill out more information'. At the bottom right of the modal, there is a blue 'Close' button.

Archaeology access will not be granted, even if the box is checked, until DAHP receives an agreement and it is approved by staff.

You will receive an email from a DAHP staff person (not automated) when your registration is complete. The email will include instructions for logging in to WISAARD.

Reach out to support@dahp.wa.gov if you have any questions.
