featuring the fine wines of

Seven Hills Winery

Seven Hills is one of Walla Walla Valley's oldest and most respected wineries. Focusing on benchmark Cabernet Sauvignons and Bordeaux-varietal reds, their wines have played an important role in establishing the region's reputation for world-class winemaking, and are recognized as some of the Northwest's finest wines.

Reininger Winery

Located in the heart of the Walla Walla Valley, Reininger specializes in crafting elegant and finely structured red wines from hand-harvested, ultra premium grapes. From first release in 1997, Reininger wines have possessed a unique quality derived from the winemaker's awareness of and passion for the natural elements that make great wines.

Thurston-Wolfe Winery

Since 1987, Thurston-Wolfe has coaxed outstanding wines from a number of grape varietals not commonly used at other Washington wineries. They have combined extensive knowledge of area vineyards with a passion for blending to create truly memorable wines.

Walter Dacon Wines

Walter Dacon, dedicated to Rhône and Mediterranean style wines, sources grapes from select vineyards in the Yakima and Columbia Valleys. Hand crafted through the unique art of blending and aged in French and American oak barrels, the wines reveal the underlying fruit blended with a gentle, precise use of oak.
